

Event to enhance intellectual environment among teachers organised at Disha College

Principal of Disha College Dr A K Tiwari addressing the Faculty Development Programme.

■ Staff Reporter

RAIPUR, May 1

DISHA College organised Faculty Development Programme in the college auditorium on the other day. Its aim was to enhance academic and intellectual environment among teaching staff. It also focused on development of pedagogical skills. The programme was organized in association with Spoken Tutorial, a project by IIT, Mumbai, an initiative of National Mission on Education through ICT, Ministry of Human Resource Development, Government of

India. Spoken Tutorial offers variety of course on various Free and Open Source Software (FOSS) in various Indian regional languages. Under this programme, teachers learn a document mark-up language LATEX. Learning LATEX language is valuable for publishing and presenting papers in International Journals and Scientific Journals.

On the occasion Principal of Disha College Dr A K Tiwari motivated all staff members for self-development. The whole presentation was given by Seema Pathak, HoD of Computer Department.
