Subject: National Level 5 days Faculty Development Program on R Programming from 25th May to 29th May, 2020

Dear Sir/Madam,

Greetings of the Day!

It gives us immense pleasure to announce that IMS Noida, Uttar Pradesh is organizing a Free Certification cum One Week Virtual Faculty Development Program on R Programming during this Lockdown Period in association with Spoken Tutorial Project, IIT Bombay from 25th to 29th May, 2020.

The current situation of crises has given us a lot of opportunity to learn update and upgrade ourselves. In this moment of crisis. UGC, AICTE and MHRD have endeavored to leverage digital access for continuation of the academic activities by online mechanisms.

Details about the Organizing Institution

Spoken Tutorial is an initiative of National Mission on Education through ICT, MHRD Govt. of India, to promote IT literacy through Open Source Software.

About the Proposed Course

R is an open source programming language that facilitates data analysis, modeling, inferential testing and forecasting. It is user friendly programming language, which allows easy programming solutions to solve mainly statistical and data analysis problems. It runs on a variety of UNIX platforms and Similar systems such as LINUX), Windows and mac OS. R can be used for simple equations, matrix calculations, differential equations, optimization statistical analysis, plotting graphs, etc. Also, it is useful to anybody who wishes to undertake extensive statistical computations and data visualization. Through this FDP, you will get acquainted with "R" programming language Interested Faculty members are requested to get benefits from this Faculty Development Program.

There is no registration fee. Participants to give an online exam at the end of the FDP on 29th May 2020 and for that 40% marks are required to achieve the e-certificate. E-Certificate of completion will be provided by IITB. After registration a watsapp group will be created for the further communication. This will be a self paced learning.
