To

Mr. Mohamed Kasim Khan
Training Coordinator, Spoken Tutorial,
National Mission on Education through ICT
(MHRD, Government of India)
IIT Bombay, Mumbai – 400076, INDIA

Respected Sir,

We are happy to associate with IIT-Bombay in organizing the “Spoken Tutorial Software Training” at our institution. I am sure this programme will be helpful to the students to gain knowledge in their core domains and to improve their employability skills by exposing them to modern software tools and advanced technologies.

Seethalakshmi Ramaswami College is one of the premier, leading, reputed women’s institutions affiliated to Bharathidasan University, Tiruchirappalli, with 4100 girl students. This institution was founded in 1951 by Padmabhushan Sri.N. Ramaswami Ayyar – a visionary with a missionary zeal. This institution is promoting the multi-dimensional development of women through education. The college was adjudged with an “A” Grade (3rd cycle) by NAAC.

We would like to introduce NMEICT programmes offered by Govt. of India in Seethalakshmi Ramaswami College, Trichy to function as a “Spoken Tutorial Centre for IIT-Bombay”. The Spoken Tutorial facility may be made available to the students during the practical lab hours. Names of Faculty Coordinators from various departments of our college are enclosed herewith.

Thank you,

With regards

Yours sincerely

PRINCIPAL
