Editing a Subcircuit in eSim

Spoken Tutorial Project
https://spoken-tutorial.org
National Mission on Education through ICT

http://sakshat.ac.in

Gloria N

IIT Bombay

25 May 2020

In this tutorial, we will learn-

Learning Objectives

In this tutorial, we will learn-

 ▶ **To edit a Subcircuit**

In this tutorial, we will learn-

- ▶ **To edit a Subcircuit**
- ▶ **To modify the component schematic**

System Requirements

System Requirements

▶ **Ubuntu Linux OS version 16.04**

System Requirements

- **Ubuntu Linux OS version 16.04**
- **eSim version 2.0**

Prerequisites

► **To create and simulate a circuit and a subcircuit in eSim**

Prerequisites

- ▶ **To create and simulate a circuit and a subcircuit in eSim**
- ▶ **https://spoken-tutorial.org/**

Summary

In this tutorial, we learnt to:

- ▶ **To edit a Subcircuit**
- ▶ **To modify the component schematic**

Forum to answer questions

▶ **Questions not related to the Spoken Tutorial?**

▶ **Do you have general / technical questions on the Software?**

▶ **Please visit the FOSSEE Forum**

   https://forums.fossee.in/

▶ **Choose the Software and post your question.**

FOSSEE Forum

▶ **Please post your queries on eSim in the FOSSEE forum.**
https://forums.fossee.in/

Circuit Simulation

- ▶ **The FOSSEE team coordinates the Circuit Simulation project.**

- ▶ **Contributors will receive `Certificates` and `Honorarium`.**

- ▶ **For more details, please visit this site:**
  https://esim.fossee.in/circuit-simulation-project

Lab Migration

▶ **The FOSSEE team coordinates the Lab Migration project.**

▶ **For more details, please visit this site:**
https://esim.fossee.in/lab-migration-project

Acknowledgements

▶ **Spoken Tutorial Project is funded by NMEICT, MHRD, Govt. of India.**

▶ **For more details, visit this website.**
   https://spoken-tutorial.org/

THANK YOU!
