Subject : The ICT Programme (Spoken Tutorial Project) undertaken by the Ministry of Human Resource Development, Govt. of India.

Dear

I am desired to enclose herewith a brief note alongwith details of Spoken Tutorial Project, received from the Project Manager (Spoken Tutorial Project), Indian Institute of Technology, Mumbai, for your consideration.

The said course is funded by the Ministry of Human Resource Development, Govt. of India, in collaboration with IIT, Mumbai and is available free of cost, by which a student can undertake software courses on his own and get certificate from IIT. However, there appears to be lack of awareness amongst the students about the said course.

I am, therefore, desired to request you to generate awareness among faculties and students and to facilitate the enrolment for the online training programme, in your University.

Action taken report in the matter may be sent to this office for information of the Chancellor.

With regards,

Yours sincerely,

o/c
