Spoken Tutorial (ST) program

"Spoken Tutorial (ST) program, IIT Bombay is the Knowledge Partner of University of Kerala, to provide Basic IT and Skill oriented IT/ Software courses to students. Spoken Tutorial-IIT Bombay provides free training on C, C++, LaTeX, OpenFOAM, Perl, PHP, Python, Scilab etc. The University agrees to include Spoken Tutorial as MOOCs for practical courses. The Board recommended to include Spoken Tutorial courses in the UG and PG programs in Computer Science from the Academic Year 2017-2018 onwards as part of credit marking. A Planning and Monitoring Tracker is available in the website given below. All the college Spoken Tutorial Faculty Coordinator shall provide the details regarding the training that is required for the college using the below given Planning and Monitoring Tracker. This program will be implemented and rolled out in the Academic Year 2017-2018. Each college shall complete one year planning and submit Spoken Tutorial Planning form available on University website before 30th April 2018. It is necessary that all the colleges shall introduce the training so that the students can benefit by getting jobs, learning advanced IT skills and improving exam performance."
