

"Spoken Tutorial Awareness Program"

On 3rd March 2017

at

**Dr. B.C.Roy Engineering College, Durgapur the Nodal Centre of IIT Bombay
with jointly IIT Bombay, National Mission on Education through ICT (MHRD,
Govt. of India)**

We are happy to announce, collaboration between Dr. B. C. Roy Engineering College and IIT- Bombay Spoken Tutorial Program as a Nodal Centre. We are providing opportunity to train our students as well as cluster college faculty member free of cost in our college as a Nodal Centre of the cluster college. Under this project Dr. B. C. Roy Engineering College, Durgapur conducted an awareness program on 3.3. 17 from 2 P.M in the campus with collaboration with IIT Bombay and MAKAUT, formally WBUT. The project is funded by National Mission Education through ICT, MHRD, Govt. of India at IIT Bombay.

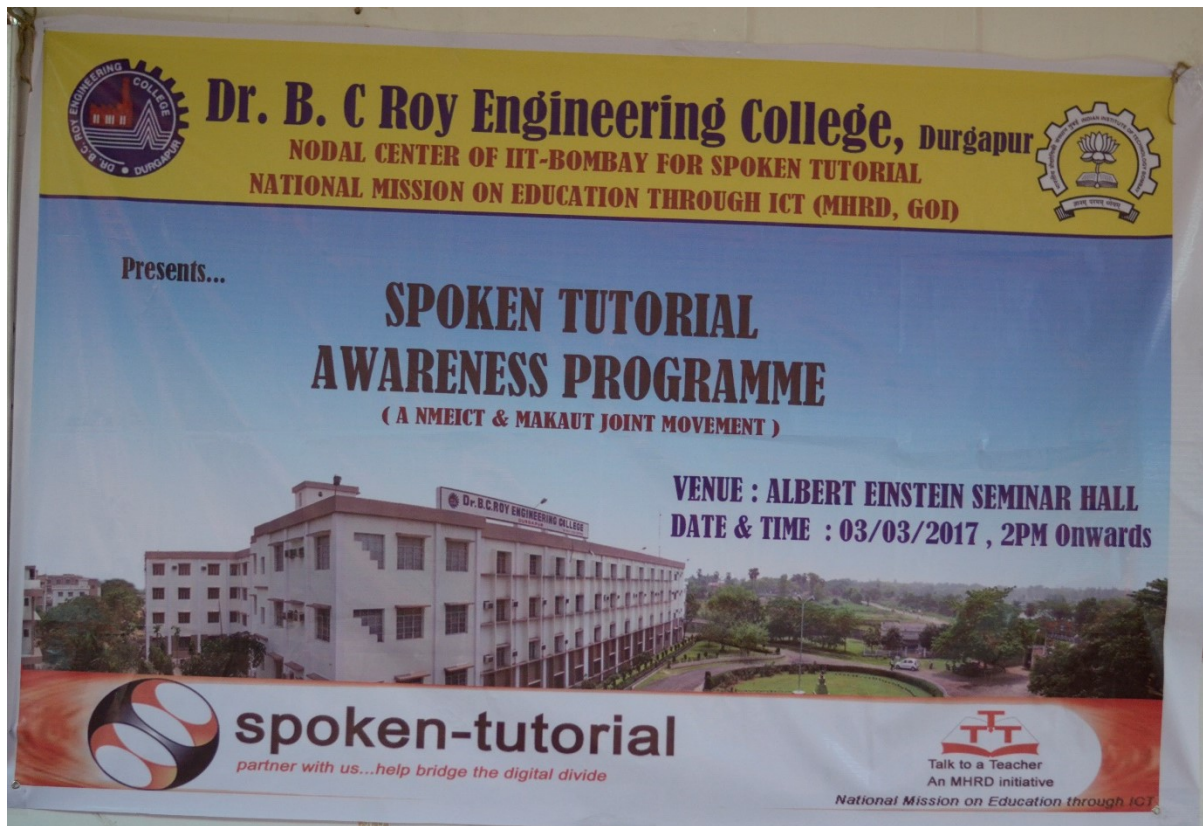

The session was started by lightening up the lamp by the delegates and with a "Sharaswati Bandana" by the students and faculty member. After that a small inauguration and welcome speech on "Open source and IT literacy" by honourable Vice Principal, Prof. D. C. Gandhi has been delivered. He emphasized on the importance of such programme by stating the different techniques of active learning methods and its importance in today's world.

After that the spoken tutorial project and its benefits were illustrated by Mr Fariduddin Masud, Outreach Officer of IIT Bombay of Spoken Tutorial in West Bengal. He stated that the spoken tutorial workshops & certificates are free of cost & can be used by any Indian citizen for self learning. All the course content has been developed based on free and open source software. This helps a student to develop the technical skills and value addition in their future and the job hunting.

In the program the other cluster college like B.C. Roy Pharmacy and BCET, Durgapur take participation as they are cordially invited.

The Dr.B.C.Roy Engineering College, Durgapur is a Nodal Centre of IIT- Bombay from the last semester as notified in the MAKAUT, West Bengal in this region. And they have been conducting the spoken tutorial training for last 2 semesters on –Libra Office, Scilab, Python, Latex, C & CPP, Shell Programming, JAVA, Netbeans, PHP-MySQL. And students get certificates from IIT Bombay after completion of each training.

The session was ended with a vote of thanks by the Prof. (Dr) Tribeni Prasad Banerjee, Nodal officer of Spoken Tutorial Project and Assistant Professor of Electronics and Communication Engineering department and online demonstration of some spoken tutorial course & Q&A session by IIT-Bombay person.
