Letter No: 106/QIC/Spoken Tutorial/CFD/2014.

Date: 18.07.2014

To

The Principals,
All Affiliated Engineering College

Dear Sir,

I would like to bring your kind attention that we have conducted spoken tutorial during last year in Quality Improvement Cell under NMEICT to enhance the quality of students which ultimately make them industry ready. I would like to thank you for your efforts in these directions.

Quality Improvement Cell initiative for NMEICT products started in Dec 2013 and about 400 colleges were part of the awareness sessions conducted by the Nodal centers. I am happy to inform you that nearly 200 colleges have done one or more Spoken Tutorial Software sessions in their college. This is one of the simple and specific Quality Improvement Cell, NMEICT initiatives, Software Training workshop, that needs just 2 hours for starting in your colleges. Spoken Tutorial, IIT Bombay certificates will also be given to all participants.

This year also it is the right time to introduce Spoken Tutorial based Software training for all your Engineering students.

Further, Spoken Tutorial based Software courses have also been added as reference in Anna University Syllabus of Affiliated Colleges in the following Laboratories of Faculty of Information & Communication Engineering.

1. Programming and Data Structure Laboratory II - **C/C++**
2. Database Management Systems Laboratory - **MySQL**
3. Networks Laboratory - **C, Linux**
4. Operating Systems Laboratory - **Linux**
5. Internet Programming Laboratory - **Java, Netbeans**
6. Computer Graphics Laboratory - **GIMP**

Load these specific Spoken Tutorials in the lab systems and request for Training/ Workshop on the Spoken Tutorial website.

To request Software training - <http://process.spoken-tutorial.org/images/8/89/Workshop-Request-Sheet.pdf>

To download the course tutorials- <http://process.spoken-tutorial.org/images/1/1b/Download-Tutorials.pdf>

To get the lab ready - <http://process.spoken-tutorial.org/images/5/58/Machine-Readiness.pdf>

It is necessary for the Quality Improvement Cell Faculty or any other Faculty coordinator to register if they have not done so already.

Registration Link: <http://www.spoken-tutorial.org/user/register>

It is necessary that all the colleges should introduce the training so that the students can benefit by getting jobs, learning advanced IT skills and improving exam performance.

For guidance you can contact - Pallavi at nilepallavi03@gmail.com.

Mobile number: 09892705501.

Thanking you,

With kind regards

Sincerely yours,

Director,CFD
