I am delighted to get positive response from you to offer software training via Spoken Tutorial to students enrolled in **Jayoti Vidyapeeth Women's University, Jaipur**. Ma'am, I'll be extremely glad to work with you and arrange the mentioned training programme for all relevant courses offered by you.

Spoken Tutorial Project is working on the National Mission on Education through ICT, MHRD, Govt. of India, to spread IT Literacy all over India. We are promoting the learning and usage of Free & Open Source Software (FOSS), through an Audio-Video teaching tool, viz, 'Spoken Tutorial'. We are ready to support you in your efforts to train students on Basic Computer Skills, Software and IT.

Benefits to the students of University

1. Students and Teachers will receive hands-on training on many useful software, absolutely Free of Cost. **As a part of this training programme Certificates will be awarded by Spoken Tutorial Project, IIT Bombay.**
2. Software that are learnt are very popular in job market. It is offered to engineering as well as non-engineering student, so all can learn irrespective of the stream or batch. PFA for technical/ non-technical students.
3. This training will be given FREE OF COST and will enhance EMPLOYABILITY for the students.

We are already working with many government bodies in Rajasthan. We look forward to establish similar partnership with the Jayoti Vidyapeeth Women's University too. To start with, revert with the contact details of the faculty Coordinator from each department from your university who can work with us to start the training.
