**Agreement between Crime Branch, Mumbai Police and
Spoken Tutorial Project, IIT Bombay**

We are happy to announce collaboration between Crime Branch, Mumbai Police and IIT Bombay Spoken Tutorial Program. We are providing know how to conduct Software Training Program, Free of Cost to all the Staff, Field Force and Officers of this Unit. We will train on basic IT Skills - LibreOffice, Linux and Web development/ Database Management Systems - PHPMySQL. The program will be handled by appointing a central coordinator and Nodal Officers/ Master Trainers drawn from the staff in HQ and Zonal offices. Spoken Tutorial activity is funded by the National Mission on Education through ICT, MHRD, Government of India, and run out of IIT Bombay.

- Crime Branch, Mumbai Police has appointed Mr. Mukund Pawar, Police Inspector as a Central coordinator who will interact with Maharashtra Training manager, on a day to day basis for starting and then expanding the training program
- Crime Branch will organise an awareness cum Training event, for half-day where representatives from field staff and office staff will attend to learn how to introduce Software training in SELF learning way, in their respective functions.
- Master Trainers will be identified who will participate and be trained by Crime Branch, Mumbai.
- The Plan is i) Event, ii) Pilot workshop for Crime Branch, iii) Training for all 1800 Staff, iv) Mumbai Police Personnel from other departments.
- Once the Pilot Project is successfully completed, feedback from all participants would be taken and submitted to the Commissioner of Police, Mumbai. If feedback is encouraging then this project can be recommended for replication in rest of Mumbai City Police Units.
- Put into place a monitoring system, like a track data sheet to keep a record of the Spoken Tutorial based software training that police personnel have done.
