We are happy to collaborate with Indian Institute of Information Technology, Guwahati, Assam as a Knowledge Partner. "ICT play an important and catalytic role in the process of development". We hope you will offer the training to all the students in the college in a time bound manner and later might spread awareness of the project in the state. ***The project is a part of the National Mission on Education through ICT, MHRD, Govt. of India, to spread IT Literacy all over India.*** We are offering an award winning MOOCS, the Audio-Video teaching tool, 'Spoken Tutorial', which is used to teach a variety of Software. These provide Software Skills with both employment focus and academic focus.

We are ready to support you in your efforts to train students on Basic Computer Skills, Software and IT. The course and the training will be offered free of cost to the institution.

- The Spoken Tutorial team at IIT Bombay will work with you and arrange the mentioned training programme for all relevant courses offered in the colleges.
- The team will also support and guide all individuals at the college/ department level as they firstly introduce the training and then gradually expand it to all.
- The team will also provide brochures, leaflets, posters and Cds where necessary.

Institute will announce, enable and monitor or track the training as it is introduced and expanded into all the departments of IIT.

As an expression of interest to partner with us on this training please sign this note and send us the scanned copy. I will be happy to answer any questions.
