To,

The Principal of all the Govt., Aided & Private Polytechnics

Subject:- Implementation of Spoken Tutorial Software Training in your College.

Sir,

IIT Mumbai has developed an innovative learning method-Spoken Tutorial Spoken Project under NMEICT, MHRD, Govt. of India for the benefit of the students. It is an excellent audio-video methodology which provides value-addition to all our student-teacher community through distance learning mode and is free of cost programming/IT skills/Computer Fundamental which are hard to learn via reading/listening can easily be mastered through the spoken-tutorial tool under this project.

The spoken Tutorial training was introduced during last year to enhance the quality of students which ultimately make them industry ready. The software training to our students and teachers in the form of workshops/lab training should continue in a regular and systematic way every semester, regarding this the instructions have been issued by our office letter no. 220/NEMICT/OSST/2014-15, Dated 19.09.2014. Detail of project is also uploaded on our **website www.irdtuttarakhand.org.in**.

As per status received from the IIT Bombay 16 Govt. Polytechnics have organized 167 training and total no. of participant were 3698 out of them 3479 participant were awarded by learners certificates and 273 participant by completion certificate. 37 polytechnics did not conduct the training programme. All the Principal are directed for conducting the **Spoken Tutorial Software Training Programme** in your institute as per roadmap. For detail information, please visit our website.

Encls: As above

Thanking You

(R.P. Gupta)  
Joint Secretary
