

Report on Digital Week Celebrations Of Open Source Technology Club (OSTC)

At

On 7th JULY, 2015

Institute of Technology & Management Universe (Affiliated to Gujarat Technological University)

Dhanora Tank Road, Behind Supreme Hotel,
Paldi Village, Halol Highway, Near Jarod, Vadodara - 391510 (Gujarat), INDIA

Prime Minister Narendra Modi has launched the 'Digital India Week' from 1st July to 8th July in the national capital with a view to empower the people of the country through the Digital India Programme. Digital India aims to transform the country into a digitally empowered knowledge economy. Apart from the event here, 600 districts across the country will organise various programmes to sensitise people about the ongoing activities under the Digital India platform. Our institute also celebrated the **DIGITAL INDIA WEEK** on 7th July, 2015.

The OSTC club of CSE department had organised a function in which the Director& Dean were present. The program started with introduction to "Digital India Week". Ms. Madonna Lamin, Asst professor, Department of Computer Science & Engineering has given a brief about the Digital Week and its importance. The videos of the Spoken tutorial project of IIT Bombay were presented to students.

In the upcoming semester we are training around 200 students in the following courses with the help of Spoken Tutorial project:

- 1. Python
- 2. PHP & MySQL
- 3. C & C++.

As a part of the celebrations, we also organized a essay writing competition on the topic "Digital **Empowerment of Citizens**". A large number of students participated in the competition and Viraj Agrawal of 5th semester stood in first position.

Respected Director Dr. Baba Pai and Dean Academics Dr. S.K.Vij , addressed the students and also encouraged the students to actively participate in such activities. In his address, the professor explained about the importance of certification and the open source technologies.

Message by Dean Academics
