Dear Ms Shyama Iyer,

In inviting reference to your letter dated August 17, 2015, I would like to inform you that we are agreeable to your proposal to make NITS Mirza as a Resource Centre for your Spoken Tutorial Project.

Shri Pranjit Das, Assistant Professor, Computer Science & Engineering Department and Training & Placement Officer of this Institute, will coordinate with you in this regard. Please communicate with him for all your requirements. We will do our best to make the programme a success with larger participation.

Thanking you and with warm regards.

Yours sincerely,
