Maharishi Markandeshwar University, Mullana, Ambala

MMU/R/15/3574

Circular

Dated: August 22, 2015

To : All Principals and Faculty of all departments,

Subject: Introduction Spoken Tutorial based Software – FREE of COST – under, MHRD, Govt. Of India Project.

Maharishi Markandeshwar University announces availability of FREE Software Training from Spoken Tutorial Project, IIT Bombay, NMEICT, MHRD, Govt. of India. Spoken Tutorial is a unique Audio-Visual instructional tool. The training is on campus and can be accomodated in computer lab hours.

What the Spoken Tutorial audio video course does is -
- help fast track the learning of syllabus courses like C/C++, Java etc.
- give chance to learn new Exotic job oriented software, such as Python, Bash etc.
- serve as a valuable E-Resource or E-Guide for mastering the basics

To make this program a success, it is necessary to offer it to all departments who are ~~including~~ having Software training of any kind and have computer practical/lab hours in their schedule. You can include in the current Practical/ Lab hours right from the semester beginning.

For this, **please send your current Lab time-table** to the below Spoken Tutorial coordinator who will guide you with mapping of which of IT courses can be included in that specific lab course. Guidance and Certificates are also free of cost.

Contact Haryana Training Coordinator: Chandrika Naik   **Email:** *stp.haryana@gmail.com* Mobile: 08452009919
