regarding**

With reference to the discussion we had with you we are herewith submitting the required information about our group of institutions.

St. Mary's Group of Institutions, Hyderabad was conceived by visionary leader Shri. K.V.K Rao. In the 1996, his vision gave rise to JSMI educational society, which currently has a strong foothold of 26 institutions offering programs to student community by providing quality education to urban, semi-urban & rural students of National & International.

St. Mary's group is top 3 promising engineering colleges in India with 120 acres of land amidst scenic valleys and hills. 14000+ Engineers Graduated, 6000+ Placements, 24x7 accessibility of infrastructure. The only group to admit over 2500 students from 29 States and 25 Countries every year. First of its kind MS & MBA programs in Indian Campus by Marist College, USA.

St. Mary's Engineering college is affiliated to JNTU Hyderabad, Osmania University, Mahatma Gandhi University, Acharya Ranga Charya University and West Bengal university of technology. All the courses are Approved by AICTE and the Institution is NBA Approved.

We at St. Mary's focus on providing academic calendar to the students well ahead of the commencement of the Semesters. We concentrate more on academic standards and student empowerment by conducting programs such as Guest Lectures, Industrial Tours, Seminars, Workshops, Training Sessions & Pleasure Trips.

In order to impart Value added programs to the students through digital Literacy or e-Learning we would like to associate with Spoken Tutorial Project of IIT Bombay.

In this regard we request you to kindly acknowledge us as the Resource Centre for our entire colleges of St. Mary's Group. Also we request you recognize as Spoken Tutorial FOSS partner of IIT Bombay.

Thanking You Sir,

Dr. P. Bhaskar Naidu
