**About Spoken Tutorial :** It is an audio-video method to learn Software, developed by IIT Bombay. These are for Skills and to improve Academic performance. It is designed for self learning (no expert needed) and distance education mode (no need to leave campus). It is an National Mission on Education through ICT (NMEICT / Sakshat), MHRD, Govt. of India funded project of National Importance so the courses, training, day to day guidance and certificates are all completely FREE of COST for life.

**Purpose of Collaboration**

The reason to approach DHE Arunachal Pradesh for ST as Knowledge Partner, is so that the reach, awareness and spread of ST training is much faster and reaches many more colleges via the State Govt., Higher Education authorities than if we worked alone. eg. Regional Centers, Circular, Notices, Organised trainings etc. We were happy to note that our programs are in line with some of your Mission / Vision Objectives, to facilitate Computer literacy in the state to popularise Computer education in all the districts of Arunachal Pradesh state. The ST training Program as a professional course should be incorporated in all the Government and Private institutes in order to prepare the Youth of Arunachal Pradesh for a good future, and be second to none. We are actively working with the Higher Education Departments of Karnataka, Maharashtra, Uttarakhand, Uttar Pradesh, Telangana, Assam, Kerala, Punjab, Goa, Himachal Pradesh too.

**Proposed Agendas ( to be discussed)**

<u>DHE Objectives</u>	<u>Joint Activities - ST team and DHE</u> (working via DHE Knowledge Centers)
IT Training in rural and backward areas	Offer IT courses and guidance to identified colleges individually.
Facilitate Computer literacy in the state	Implement the ST based General IT Skills training program (Assamese, Bengali too available), in all the Colleges as part of Computer Literacy Program
To Promote innovative, Job oriented Curriculum	Deploy lucrative ST based IT courses training in the colleges and curriculum. eg. PHPMySQL, Animation pkgs.,Multimedia, Programming languages C/Java etc.
To implement E-Governance in the Administration.	Linux, Ubuntu, BOSS-Linux, and LibreOffice (like MS-Office) trg. offered to admin. staff of Colleges.
