### **Workshop Report**

# DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING AMAL JYOTHI COLELGE OF ENGINEERING

Title	One Day Workshop on "Spoke Tutorial Expertise- An Insight"	
Organized by	CSE Department, FOSS Centre- AJCE	
Duration	1 Day	
Date & Time	16th July 2016, 9.00 am – 4:00 pm	
Association	CCE AJCE, ISTE-Kerala Section	
Speaker	Jayakrishna V, (Coordinator, FOSS Center- Amal Jyothi), Mr. Swapnil More, Executive Officer - Spoken Tutorial Project Ms. Sanchita Samant, Training-Coordinator, Spoken Tutorial Project, Kerala	
Venue	CSE Programming Lab, Divisional Block – A	
Audience	Faculty from Engineering and Arts & Science Colleges	
Purpose	Purpose To expose the Faculty to the Spoken Tutorial technology of IIT Bombay Spoken Tutorial Project.	
Coordinators	Jayakrishna V, Sharon Sunny	

#### 1. Introduction

The Spoken Tutorial project is the initiative of the 'Talk to a Teacher' activity of the National Mission on Education through Information and Communication Technology (ICT), launched by the Ministry of Human Resources and Development, Government of India. The use of spoken tutorials to popularize software development and its use will be coordinated through this website. (The Spoken Tutorial project is being developed by IIT Bombay for MHRD, Government of India). It is well known that seeing and hearing someone explain a process greatly improves understanding. On this site, you will find a variety of spoken tutorials that will help you to learn and use open source software.

Since this is a community based site, they welcome your contributions. Have a topic, script or video for a spoken tutorial? Upload them on our site. They are also promoting translations of these tutorials into different languages. Once your tutorials are reviewed by experts, they will be hosted on our site and will become part of the public domain, thus benefitting all who are interested in it.

They also conduct software training workshops using spoken tutorials and give certificates to those who pass an online test. For more details, please write to contact [at] spoken-tutorial [dot] org

#### 2. Executive summary

Workshop On "**Spoken Tutorial Expertise- An Insight**" was organised jointly by the Departments of Computer Science and Engineering, FOSS Centre, Amal Jyothi College of Engineering Kanjirppally, in association with ISTE Kerala Section and CCE (Centre for Continuing Education)- AJCE. The participants included Faculties of various engineering and Arts & Science Colleges.

Facilitators of the workshop included experts from FOSS Centre Team AJCE and the Spoken Tutorial Team IIT Bombay.

Faculties coordinators from departments involved in Engineering and Science were invited as observers or participants at this workshop. The departments included are Automobile Engineering, Chemical engineering, Computer science engineering, Electronics and Communication engineering, Information Technology, Mechanical engineering, and Electrical and electronics

In preparation for this training workshop a discussion about the various topics were discussed with Spoken Tutorial Team IIT Bombay and they suggested the following topics to be covered in one day as 4 sessions.

## Session 1: How to be Part of Spoken Tutorial You can contribute as a:

**SELF Training Organizer** 

SELF Training RESOURCE Center

**SELF Training Partner** 

Session 2: Organizing Training

Role of the Faculty Coordinator

Downloading Spoken Tutorials

Instructions for Downloading and Installing

Instructions for Training in Offline Mode

Installing LINUX OS

Sample Time Tables / Syllabus with Mapped & Un Mapped Spoken Tutorial

Software Courses

Summer Faculty Development and Training programs

Certificates from Spoken Tutorials, IIT Bombay

Session 3: Setting Up a FOSS Lab & Conducting Online Test

REQUIREMENTS: H/W &S/W

Learner's Certificate Completion Certificate

Session 4: Content Generation & Inter Departmental Collaborations

ST Creation Process ST Dubbing Process

Digital Divide Contribution

General View

State Government Tie-Up with the Spoken Tutorial Project

FOSSEE Project

The workshop included lectures, discussions, Hands-on and demo of various Spoken Tutorial Project. In addition, registration process of faculty in Spoken Tutorial Website is done. Demonstration of how to conduct a spoken tutorial for students has done. Live session for preparing schedule, master batch upload and conduction of training and online test was shown. The topics covered in lectures and discussions included being part of Spoken Tutorial, how to Organize Training, requirements for setting up a FOSS Lab, procedures for conducting Online Test and methods and tools for Content Generation & Inter Departmental Collaborations and contributions.

The training sessions started off with an introduction to the spoken tutorial project and its need. It was preceded by the demo and expertise in using the 'spoken-tutorial.org' website and its different features. Followed by that the participants were encouraged and trained to register to the website either as organisers or as invigilators.

The participants were encouraged to start off with a sample spoken tutorial on their own and was asked to share their experience with this new platform. An online session regarding the official tie-ups and the ministerial matters for conducting the spoken tutorials was done by Mr. Swapnil More, Executive Officer - Spoken Tutorial Project. At the end, feedback from faculty wer collected and we got a warm response from the all the faculty. Recommendations were made by the

participants on the next steps of future training and requested for further support and administration from the FOSS Centre Amal Jyothi. An evaluation done at the end of the workshop scored the participants opinion of the workshop and the training. Opinions put forth are setting up permanent FOSS lab in Amal Jyothi College of Engineering and one day workshop on Python language. The Workshop concluded with a Closing ceremony. The guest for the ceremony was Prof Shiney Thomas, Assistant professor & HOD-in-Charge, CSE Dept, Amal Jyothi College of engineering. After ensuring successful completion of the workshop, distribution of certificates to participants were provided.

#### Enclosures with this report:

- ✓ Photographs-Glimpses of workshop
- ✓ Workshop Brochure
- ✓ Program Schedule
- ✓ Participants list
- ✓ Sample Certificate for the participants
- ✓ Registration Form from participants

#### 4. Workshop Brochure

#### About Amal Jyothi

Amal Jyothi College of Engineering has established itself as a benchmark of excellence in technical higher education and research. Founded in 2001 by the Catholic Diocese of Kanjirappally, Amal Jyothi is approved by the AICTE and affiliated to APJ Abdul Kalam Technological University (KTU), Kerala. It is the first new generation engineering college in Kerala with the prestigious NBA accredited departments and the first and only engineering college in Kerala with the recognition of 'A' grade from NAAC.

#### About CCE

### Centre for Continuing Education Amal Jyothi College of Engineering

#### Prospective participants

Spoken Tutorial Coordinators from institutions under A PJ Abdul Kalam Technological University, Karala and Faculties from all branches of Engineering, MCA and Arts and Science Colleges.

After the successful completion of the workshop, each participant will get ISTE-CCE certificate for the same.

#### Advisory Board

- Rev. Dr. Mathew Paikatt, Manager, AJCE Rev. Dr. Jose Kannampuzha, Principal Rev. Fr. Dominic Karikkattil, Bursar

An Insight

Organized by FOSS Centre, Amal Jyothi College of Engineering Kanjirppally, in association with ISTE Kerala Section and CCE (Centrefor Continuing Education)- AJCE.

#### Organizing team

- . Rev. Dr. A K George, Convener
- . Mr. Jayakrishna V, Coordinator, FOSS Centre AJCE
- Ms. Sharon Sunny, Co-Coordinator, FOSS Centre AJCE
- Ms. Shiney Thomas, Coordinator, CCE
   Mr. Mathew J Joseph , Coordinator ISTE

Contact: + 91 8714103110, + 91 9496612782 spokentutorial@amaliyothi.ac.in

#### About the workshop

The objective of this program is to introduce the Spoken Tutorial Platform of IIT Bombay for the faculties and to guide them on how to make use of spoken tutorials to popularize software development and training.

Participants will get an opportunity to walk-through the

website of spoken tutorial in detail and get an exposure to the FOSS LAB. Topics to be discussed include but are not limited to:

Live session from Spoken tutorial team, IIT Bombay

#### Resource persons

- · Ms. SanchitaSamant Training-Coordinator Spoken Tutoria I Project, Kerala
- Executive Officer Spoken Tutorial Project
- Mr. Jayakrishna V FOSS Centre, AJCE

#### Being first is an honour, Being one and only is more coveted

- Amai Jyothi College of Engineering has been accredited by NAAC
- The Cumulative Grade Point Average secured by the college is 3.02 on a 4 point scale.
- Amail Jyothi is the only Engineering College in Kerala to secure 'A' Grade in NAAC accreditation.

#### Registration fee

Rs. 250

#### Payment details

### Option 1: NEFT (National Electronic Funds Transfer) / Quick Transfer Account Name : CSEAJCE Account Number : 10310100158568

: Federal Bank Ltd. : FDRL0001031 Account Type : SB Bank Branch : Kanjirappally IFSC Code

Beneficiary Address: Computer Science and Engineering Amal Jyothi College of Engineering, Koovappaty PO Kanjirappatly, Kerata, Pin-686518

After the transaction of registration fee, send the scanned copy of duly filled Registration Form to spokentutorial@amaljyothi.ac.in

Note: It is mandatory to mention the UTR Code / Payment ID/ Transaction ID of money transfer in the Registration

#### Option 2: Demand Draft

Demand Datt (DD) drawn in favour of CSE AJCE, Amal Jyothi Colege of Engineering, payable at Kanjirappaly. Hard copy of registration form to be sent along with Demand Draft to The Coordinator, FOSS Centre, Amal Jyothi College of Engineering, Koovappalilly PO, Kanj irappally, Kerala, Pin-686518.

#### 5. Program Schedule

### **FOSS Centre**

### Amal Jyothi College of Engineering, Kanjirappally

### "Spoken Tutorial Expertise - An Insight"

#### Schedule

Date : 16 July, 2016

Venue : Programming Lab--DA 209

9.00 -9.30 am : Registration

9.30 -10.00 am : Inauguration

Rev.Dr.Jose Kannampuzha,(Principal,Amal Jyothi

College of Engg.)

10.00 -11.15 am : How to be Part of Spoken Tutorial

Jayakrishna V, (Coordinator, FOSS Center- Amal Jyothi)

11.15 - 11.30 am : Tea Break

11.30 -1.00 pm : Organizing Training

Jayakrishna V, (Coordinator, FOSS Center- Amal Jyothi)

1.00 - 2.00 pm : Lunch Break

2.00 - 3.00 pm : Setting Up a FOSS Lab & Conducting Online Test

Jayakrishna V, (Coordinator, FOSS Center- Amal Jyothi)

3.00 - 3.30 pm : Content Generation & Inter Departmental

Collaborations

#### (On-line session) General View

# State Government Tie-Up with the Spoken Tutorial Project

#### **FOSS Project**

Mr. Swapnil More, Executive Officer - Spoken Tutorial Project

Ms. Sanchita Samant, Training-Coordinator, Spoken Tutorial Project, Kerala

#### 3.30 - 3.45 pm : Closing Ceremony & Certificate Distribution

Rev. Dr. Mathew Paikatt, Manager-AJCE

Ms. Shiney Thomas, AP\_CSE- HoD-in-Charge -CSE
