परिपत्रक

डॉ. बाबासाहेब आंबेडकर मराठवाडा विद्यापीठ आणि IIT मुंबई यांच्या संयुक्तपणे
“Project of spoken Tutorial” हा प्रकल्प कार्यान्वित केला आहे.

वरील प्रकल्पांतर्गत पुढील प्रक्रिया ही सोबत दिलेल्या पत्रकाप्रमाणे (पत्रक 'अ') पूर्ण
करण्यात यावी.

सर्व संबंधित महाविद्यालयांनी याची नोंद घेऊन कार्यवाही करावी व अहवाल
विद्यापीठास पाठवावा.

विद्यापीठ परिसर, औरंगाबाद,

स्पोकन ट्युटोरियल प्रोजेक्ट

प्रतिलिपी: १) प्राचार्य, संबंधित महाविद्यालय

पत्रक 'अ'

All the Nodal centers to get the following activities done so that implementation is carried out in planned way.

Steps :

- Register on the Spoken Tutorial Website before 31st July 2014. (Link is given Below).
 - Organize at least one workshop up to 30th August 2014. The Request for workshop on Spoken Tutorial Website explained in **Link to request workshop**.
 - Spoken Tutorial workshops should be in lab hours.
1. **You need not arrange regular workshops for the softwares which are part of your lab course (C,C++, Java etc.) instead you can introduce Spoken Tutorials on these software courses to students directly during their respective lab hours.**
 2. **Ensure that the Spoken Tutorials are loaded into the systems in the labs in advance. This will make the learning very smooth.**
 3. **This will get off the responsibility and worry about lab availability and structured workshop timings.**

These three activities will ensure that the Institute faculties are clear with what they have to do in terms of implementation.
