Summary

- **Enter data of a new patient on the STEMI App from an EMRI ambulance**
- **Enter further data for the same patient on the STEMI App**
  - **first in a D Hospital**
  - **later in an A/B Hospital**

Acknowledgement

STEMI INDIA was set up

- as a 'not for profit' organisation
- primarily to reduce delays in accessing appropriate care for heart attack patients
- and reducing deaths due to heart attacks
