

Instruction Sheet for Ubuntu Linux on Virtual Box

Spoken Tutorial Team, IIT Bombay

1 Online / Offline content

1. The online content of Spoken Tutorials can be accessed from:
<https://spoken-tutorial.org/tutorial-search/>
2. You can also download the Spoken Tutorials for offline learning from:
<https://spoken-tutorial.org/cdcontent/>
3. From this link download the FOSS categories in the language you wish to learn.
4. The Spoken Tutorial content will be downloaded as a zip file on your machine.
5. Extract the contents of the zip file & access them.

2 The procedure to practise

1. You have been given a set of spoken tutorials and files.
2. You will typically do one tutorial at a time.
3. You may listen to a spoken tutorial and practise by reproducing all the steps shown in the video by Side-by-Side Method.
4. If you find it difficult to do the above, you may consider listening to the whole tutorial once and then practise during the second hearing.

3 Ubuntu Linux on Virtual Box

1. Click on "Select FOSS" or "All FOSS Categories" drop-down and choose "Ubuntu Linux on Virtual Box".
2. Click on "Select Language" or "All Languages" drop-down and choose the language (English, Hindi, Marathi ...) in which you wish to learn.
3. Click on "Search" or "Submit" button.
4. You will see a list of tutorials based on your selection.
